36" Stainless Steel Heritage Series Upgrades

Cart Model Side Burner

Large side burner features 304 stainless steel construction, 18,000 BTU burner, 5/16" grid rack and electronic ignition.

Infra-Roast® Rear Rotisserie Burner System

Infra-red rear burner heats up fast to quickly put a seal around meats for juicier and moister results. Constructed of commercial grade stainless steel and is easy to install or remove for normal grilling. 16,000 BTU rated and has its own control.

Stainless Steel Drop-In Side Burner

The premium commercial grade stainless steel side burner is 11,000 BTU rated, has its own electronic ignition, and is factory assembled for simple drop-in installation for built-ins.

Premium Hi-Power Built-In Side Burner

This 18,000 BTU rated side burner easily accommodates a large sauté pan or pot and provides high heat for wok cooking or deep frying. All stainless steel construction with electronic ignition system. Includes stainless steel cover.
